

Resourcing

We progress NDPA aims through strategic involvement with many organisations including Home Office, Association of Police Authorities, Her Majesties Inspectorate of Constabulary, The Independent Police Complaints Commission, National Police Improvement Agency, the Association of Chief Police Officers (ACPO & ACPO(S)), Superintendents Association, Police Federation, Unison and other non legislated staff associations.

We are frequently asked to contribute to projects, policy development and assist in the strategic management of critical incidents. In extreme, complex or sensitive investigations we will also consider the operational deployment of members to work with the disabled community and Senior Investigating Officers. By joining the resource database you will be volunteering to assist with this work and agreeing to be contacted by the Cabinet as required. As a member of the database, you are under no obligation to participate once contacted.
